HERRINGBONE

HERRINGBONE  
GRANDE

# Sidura

- NATIVE TIMBER -

- Tough European lacquer
- Real Australian hardwood
- 25 year residential warranty

Discover the natural beauty and character of the Sidura range. Featuring a carefully curated selection of stunning Australian species, Sidura showcases the rich tones, distinctive grain patterns and authentic texture that make native timber truly unique. The range includes both elegant long plank formats for a seamless, spacious look, and striking herringbone designs that deliver timeless architectural appeal.

Finished with a hard-wearing lacquer coating, Sidura is designed to stand up to everyday living while enhancing the depth and richness of the timber's natural appearance. Available in a selection of matt and gloss finishes, the range offers flexibility to achieve everything from a soft contemporary aesthetic to a more polished, classic look.

Crafted to complement both contemporary and traditional interiors, Sidura combines refined aesthetics with the lasting performance of quality timber flooring, creating spaces that feel grounded, inviting and unmistakably Australian.

Sidura 1-strip offers complete installation flexibility and can be installed either as a floating floor or fully glued down. A floating installation provides a fast and agile solution, while a direct stick installation (required for Sidura Herringbone ranges) can deliver an enhanced sense of solidity underfoot. Whichever method, Sidura is engineered to provide exceptional beauty, durability and long-lasting performance.
